

# STAS cliprail pro

## elegant powerhouse

STAS cliprail pro is ideal for hanging heavier objects on walls thanks to its thick-walled profile. This rail can carry an amazing 45 kg per linear metre.

Despite its large weight-bearing capacity, the STAS cliprail pro is an elegant, unobtrusive rail that can be used in professional environments as well as in the home.

STAS cliprail pro owes its name to the specially designed fastening clip - the STAS railclip - which allows easy fixation to the wall.

## Features

# STAS hooks and cords

After selecting a rail, choose a cord to hook anywhere into the rail and a hook to slide over the cord to the desired height.

The cords and hooks on this page can be combined with all STAS rail types, with the exception of the STAS wooden rails, STAS j-rail (max), STAS evoluon and STAS plaster rail.

### **STAS products TÜV certified**

STAS strives day after day for products of the highest quality. To guarantee the quality and independence of products, STAS has commissioned TÜV Netherlands for the testing of its products. TÜV Netherlands is an independent and recognized body that assesses the quality of products according to a set standard and has extensive experience in the field of product safety and product inspections. Under the direction of TÜV, a large part of our range of products has been tested for quality and correctness of the specified features. All products where the TÜV logo is shown, have actually been tested by TÜV Netherlands and approved for the capacity that is stated in the features of that product.

### **Important note regarding warranty and liability**

Products of STAS must be installed and used only in strict accordance with the latest version of the STAS picture hanging systems installation guide, available for download at [www.stasgroup.com](http://www.stasgroup.com). It is the responsibility of the installer to select the correct fasteners for the particular installation. Improper installation, misuse, misapplication or otherwise failing to completely follow seller's instructions and warnings may cause product malfunction, property damage or personal injury.
